

Downtown Montpelier is **Open for Business** During Construction!  
We invite you to **Shop Local** as our roads and sidewalks get a makeover.

Look for weekly updates released every Thursday.

Mark these pages for up-to-date construction information:

A few important notes...

- ◆ Most downtown construction will take place overnight
- ◆ Customers and patrons will always be able to access their favorite stores, restaurants and downtown businesses – occasionally with a little more effort
- ◆ Don't miss fun activities and giveaways planned for #Makeover Montpelier Mondays!
- ◆ The more you shop and eat downtown during construction, the better chance you have to win one of the many promotional giveaways
- ◆ **We can look forward to smooth roads & improved sidewalks this summer!**

Comment, questions or concerns about the project, and to sign up to receive weekly construction updates, contact Francine Perkins at 802-479-6994.

**Our downtown businesses appreciate your support.**
