

CITY OF MONTPELIER

MISSION STATEMENT

TECHNOLOGY SERVICES DIVISION

The Division of Technology Services will provide the highest quality technology-based services, in the most cost-effective manner, to facilitate the City's mission as it applies to the provision of municipal services.

To meet this mission we will:

- Provide effective technology support for audio/visual, computer, multimedia, voice, video, and web based applications and services to all areas of the City.
- Promote and facilitate the effective integration of technology into the basic mission of the City through planning, programming, training, consulting, and other support activities.
- Develop, enhance, and manage the City's enterprise networks to provide high speed, transparent, and highly functional connectivity among all information resources.
- Develop and maintain highly effective, reliable, secure, and innovative information systems to support instructional, administrative and research functions.
- Facilitate the collection, storage, security and integrity of electronic data while ensuring appropriate access.
- Promote new uses of information technology within the institution through the support for exploratory and innovative applications.
- Provide leadership for effective strategic and tactical planning in the use of technology
- Provide fast & reliable access to all information systems.
