- 19-.900. Council opened discussion on Central VT Solid Waste Management District Appointment. Councilor Bate moved to appoint Ellen Cheney to the committee, and Councilor Bate as alternate. Councilor McCullough seconded. The motion carried unanimously.
- 19-091. Council opened discussion on Montpelier Transportation Infrastructure Committee Appointment. Councilor Casey moved to appoint Kate McCann to the committee. Councilor Hutcheson seconded. The motion carried unanimously.
- 19-093. Councilor Bate reported that the Infrastructure Committee had approved expenditure for a new bike rack, and the Complete Streets Committee has been working with Norwich University on design. The Parks Committee also has elected a new member- Kassia Randzio. Councilor Bate is also working to get more state funds for Montpelier's bridges and roads.

Councilor Casey shared that Council had previously made a motion to engage ESG experts to look at divesting from groups whose message is counter to labor, human or good citizen rights. There is now a group of experts who will join a public meeting soon to discuss these issues. Councilor Casey has also drafted a new socially responsible contractor ordinance that will be discussed in future meetings. Councilor Casey urged everyone to fill out the scooter survey with their input about the return of electric scooters.

Councilor Hutcheson shared that the T.W. Wood Gallery is searching for a new Executive Director, and that there is now a helpful new snow plow tracker available on the City's website. Councilor Hutcheson will be at Bagitos tomorrow (Thursday 3/14) from 8:30-9:30am for a listening session.

Councilor Hill thanked District 3 voters for voting on Town Meeting Day and expressed the need for starting conversations about article 14 as soon as possible.

Councilor McCullough shared that the ADA Committee has been going through process of evaluating all municipal properties in city and has retained a consultant to come up with a plan for bringing everything into compliance with the Americans with Disabilities Act, from City Hall to Hubbard Park. Committee will be presenting a plan to the Council, with a goal of having a plan in place by June 1st.

Councilor Hierl thanked the voters of District 1 and encouraged them to contact her any time with input. Her information is on the City Council website.

- 19.094. Mayor Watson reported that Energy Committee is working on several projects, including projects that have potential with regards to the green revolving loan fund, projects that involve exciting prospects for biodiesel, and weatherization projects that would make buildings more energy efficient. The Mayor is also staying up to date on the water resource recovery facility project. Mayor Watson

thanked everyone who came out to vote on Town Meeting Day and is excited to start having extensive public discussions about article 14.

- 19.095. Assistant Clerk Sheila Healy reported that the Town Meeting Day election ran smoothly, but the Montpelier Clerk's office is continuing to look at ways to encourage more civic participation in Town Meeting Day. It was also reported that the two charter changes passed by the voters of Montpelier in the November, 2018 election are continuing to move through the State Legislature.
- 19.096. City Manager Bill Fraser reported that he has been talking with the Mayor and the City's consultant about the upcoming strategic planning sessions on the 15th and 16th of April, and how to make them as successful as possible. City Manager Fraser also shared that the Montpelier school has put out an RFP for after school programs, and that the Montpelier Recreation Department had been in the midst of planning for a similar program. The proposals are due Friday, and the City Manager asked that the Council let staff know if they disagree with staff submitting a proposal. The Council did not have any objections after brief discussion. The City Manager also reminded people that the weather this weekend is going to warm up, and City staff will be holding an emergency team meeting and call with the national weather service to ensure Montpelier can deal with the flood warning safely and effectively. Brief discussion about weather alerts followed.
- 19.097. Councilor McCullough moved that the Council find that there is an issue related to litigation that premature general public knowledge would place the public body at a substantial disadvantage. Councilor Hill seconded. The motion carried unanimously. Steve Whittaker asked that public comment remain open and came forward to bring 2 issues to the Council's attention: 1. That DNW Construction has been using more space than is needed for storage with regards to the former M and M Beverage property, and 2. That the City needs a clear policy about when to require parking payments when snow banks make access to meters difficult. Councilor McCullough moved that Council go into Executive Session pursuant to 1 VSA Section 313A1 for the purposes of discussing pending civil litigation to which the City is a party. Councilor Hierl seconded. The motion carried unanimously.

Without objection, the meeting returned to open session and was subsequently adjourned at 8:49pm.
