

Sprinkler Ordinance Committee Meeting

Wednesday, Jan. 17, 2018

Members:

Councilors Rosie Krueger, Chair, Jean Olson and Anne Watson

Staff: Bob Gowans, Chris Lumbra and Sue Allen

Call to order: 4:37 p.m.

Approved agenda

Public Comment:

Phil Dodd and Cari Clement representing Downsizing Group: Said there is a need for single family homes, cottage clusters, and other housing, and expressed concern that the sprinkler ordinance could negatively impact the price of these homes. They asked the Committee to exempt all single story single-family homes. They also questioned the 1,200 square foot exemption, and asked for a larger square foot exemption. 'The goal is more housing, and this is a potential barrier.'

The Committee discussed proposed changes to the ordinance, and approved the attached version for Council consideration.
