

**Committee on Committees Meeting
3/26/18**

Attending in person: Councilor Casey and staff Sue Allen
On the phone: Councilors Bate and Hill

Meeting called to order at 9:03 a.m.

Members briefly discussed changes to proposed committee application form. Committee unanimously approved the redrafted form, and submitting it as part of the discussion session of Wednesday's Council meeting. Dona Bate noted that while the application is two pages long, it should not take long to complete and shouldn't discourage anyone from applying to serve on a committee.

Meeting adjourned at 9:06 a.m.
