Opportunities:

- 1.) Excellent connection of building to greenspace
- 2.) Building enlivens riverfront
- 3.) Building relates well to the street
- 4.) Clear pedestrian circulation
- 5.) Less visible building
- 6.) Easily expandable parking

Issues:

- 1.) Less visible building
- 2.) Bus drop off travelers need to cross paving
- 3.) Need to have a significant information structure to take advantage of off site visibility
