Week of September 4th, 2017

Day Work – (7:00 am to 9:00 pm, M-F)

VT 12/Elm Street – EXPECT DELAYS!

- Paving of the first layer of new pavement will continue from approximately Poolside Drive working north.
- Crosswalk ramp replacement work will occur Tuesday thru Friday from the Spring Street and Elm Street intersection progressing north. **Jackhammers and saws are typical equipment used for this work.**
- Starting Tuesday (9/5), Guardrail crews will be working north of Poolside Drive throughout the week.

Elm Street parking will be closed off in active work areas this week. Parking will re-open as the work is completed.

Traffic - Travel will be reduced to one lane with alternating one-way traffic maintained by flaggers. Motorists can expect traffic delays all week.

Northfield Street Update

As part of the reconstruction work, new underdrain and drainage inlets will be installed on Northfield Street starting at Memorial Drive and progressing towards Derby Street.

Sewer Installation – Installation of the new sewer main pipe is nearing completion at Colonial Drive.

Water Installation – Mainline installation will continue from above the Econo Lodge towards Derby Drive.

Service connections for water and sewer will continue this week. Advance notification will be provided for service interruptions.

Traffic – Alternating one-way traffic is anticipated all week. Motorists are strongly encouraged to seek alternative routes using Derby Drive or Dog River Road during construction. Traffic delays of up to 10 minutes can be expected on Northfield Street.

It is illegal in VT to use any handheld portable electronic devices while driving. The law carries fines of up to \$200 with points assessed if the violation occurs in a work zone.
