

Construction Update
Montpelier Transportation Projects

Project Location: State Street, Main Street, and VT 12 – Elm Street - Work to include milling, paving, manhole and drainage structure adjustments and extensive sidewalk improvements. VT 12-Northfield Street - new water, sewer, storm water improvements, sidewalks and a stabilized road base.

Northfield Street Closures - Monday (9/11), Tuesday (9/12) and possibly Wednesday (9/13) – Dubois will have the option to close Northfield Street between #52 Northfield Street and Colonial Drive as crews work to complete necessary utility work. More details and detour information will be provided before the closures begin.

Week of September 11th, 2017

Day Work – (7:00 am to 9:00 pm, M-F)

VT 12/Elm Street – EXPECT DELAYS!

All work is weather dependent, if it rains, work will be rescheduled.

- If paving of the first level of new pavement was not completed by Friday, 9/8, paving will continue on Monday, weather permitting.
- Crosswalk ramp replacement work and adjustment of manholes and drainage structures will occur this week from the Spring Street and Elm Street intersection progressing north to Pearl Street. Jackhammers and saws are typical equipment used for this work.
- Guardrail crews will be working north of Gould Hill Road throughout the week.

Elm Street parking will be closed off in active work areas this week. Parking will re-open as the work is completed.

Traffic - Travel will be reduced to one lane with alternating one-way traffic maintained by flaggers. Motorists can expect traffic delays all week.

Northfield Street Update

Northfield Street Closures - Monday (9/11), Tuesday (9/12) and possibly Wednesday (9/13) – Dubois will have the option to close Northfield Street between #52 Northfield Street and Colonial Drive as crews work to complete necessary utility work. More details and detour information will be provided before the closures begin.

Road reconstruction will continue from Memorial Drive towards Derby Drive.

Sewer Installation – Installation of the new sewer main pipe is complete, except for one manhole on Derby Drive.

Water Installation – Mainline installation will continue at Derby Drive and Colonial Drive.
Service connections for sewer are complete. Water service connections may continue this week.

Advance notification will be provided for service interruptions.

Traffic – Alternating one-way traffic is anticipated other than during closure periods. Motorists are strongly encouraged to seek alternative routes using Derby Drive or Dog River Road during construction. Traffic delays of up to 10 minutes can be expected on Northfield Street.

It is illegal in VT to use any handheld portable electronic devices while driving. The law carries fines of up to \$200 with points assessed if the violation occurs in a work zone.
