

Construction Update
Montpelier Transportation Projects

Project Location: State Street, Main Street, and VT 12 – Elm Street - Work to include milling, paving, manhole and drainage structure adjustments and extensive sidewalk improvements. VT 12-Northfield Street - new water, sewer, storm water improvements, sidewalks and a stabilized road base.

Week of September 25th, 2017

Day Work – (7:00 am to 9:00 pm, M-F)

VT 12/Elm Street – EXPECT DELAYS!

All work is weather dependent, if it rains, work will be rescheduled.

- Crosswalk ramp replacement work is expected to wrap up early in the week. Jackhammers and saws are typical equipment used for this work.
- Manhole and drainage structure adjustment will continue throughout the project. Jackhammers and saws are typical equipment used for this work.
- Ditching and general clean-up will occur from Gould Hill Road to the north end of the project.
- New traffic signs will be installed in various areas of the project all week.
- Driveway entrances will be trimmed and prepared for final paving.

Elm Street parking will be closed off in active work areas this week. Parking will re-open as the work is completed.

Traffic - Travel will be reduced to one lane with alternating one-way traffic maintained by flaggers. Motorists can expect traffic delays all week.

Northfield Street Update

Roadway reconstruction will continue from #56 Northfield Street towards Derby Drive. Crews are installing new underdrain and subbase stone material.

Curb Installation – Crews will continue working on setting new curbing along Northfield Street between Prospect Street and Derby Drive. A second crew is expected to start on curbing towards the end the week.

Sidewalk Installation – There is no sidewalk work planned for this week.

Water Service Connections – Crews will wrap up water service connections this week.

Pedestrians & Cyclists – Flaggers will assist pedestrians and cyclists in navigating through areas where active construction is occurring. Pedestrians & cyclists may be held until it is deemed safe to move thru an area. Pedestrians are encouraged to plan for delays in getting through the project.

Traffic – Alternating one-way traffic is anticipated all week. Motorists are strongly encouraged to seek alternative routes using Derby Drive or Dog River Road during construction. Traffic delays of up to 10 minutes can be expected on Northfield Street.

It is illegal in VT to use any handheld portable electronic devices while driving. The law carries fines of up to \$200 with points assessed if the violation occurs in a work zone.
