

Construction Update
Montpelier Transportation Projects

Project Location: State Street, Main Street, and VT 12 – Elm Street - Work to include milling, paving, manhole and drainage structure adjustments and extensive sidewalk improvements. VT 12-Northfield Street - new water, sewer, storm water improvements, sidewalks and a stabilized road base.

ELM STREET TRAFFIC DELAYS – Final paving will continue Monday (10/9) on Elm Street. Expect traffic delays all week.

Week of October 9th, 2017

Day Work – (7:00 am to 9:00 pm, M-F)

VT 12/Elm Street: FINAL PAVING - EXPECT DELAYS!

All work is weather dependent, if it rains, work will be rescheduled.

- Final Paving – Crews will continue final paving from Spring/Elm Street progressing north, weather permitting.
- Crews may install gravel shoulders and perform general clean-up towards the end of the week.

Elm Street parking will be closed off in active work areas this week. Parking will re-open as the work is completed.

Traffic - Travel will be reduced to one lane with alternating one-way traffic maintained by flaggers. Motorists can expect traffic delays all week.

Northfield Street Update

Following the completion of the roadway reconstruction work early in the week, crews will be fine grading Northfield Street in preparation for base paving.

Crews will continue setting new curbing in various areas between Memorial Drive and Derby Drive. Please note: Sidewalks that cross driveways will be prepared one-half at a time, when possible, in an effort to maintain access.

Granite retaining walls will be constructed on each side of #29 Northfield Street.

There are no road closures or water service interruptions planned for this week.

Traffic – Alternating one-way traffic is anticipated all week between Memorial Drive and Derby Drive. Motorists are strongly encouraged to seek alternative routes using Derby Drive or Dog River Road during construction. Traffic delays of up to 10 minutes can be expected on Northfield Street.

It is illegal in VT to use any handheld portable electronic devices while driving. The law carries fines of up to \$200 with points assessed if the violation occurs in a work zone.

Contact Francine Perkins, Project Outreach Coordinator, FRP Enterprises, LLC with any questions or concerns with regards to the project at 802-479-6994. Construction updates will be posted on <http://www.roadworkupdates.com>, The City of Montpelier's Front Porch Forum and Facebook Pages, Montpelier Alive's Facebook Page and Makeover Montpelier's Facebook Page.
