

Construction Update
Montpelier Transportation Projects

Project Location: State Street, Main Street, and VT 12 – Elm Street - Work to include milling, paving, manhole and drainage structure adjustments and extensive sidewalk improvements. VT 12-Northfield Street - new water, sewer, storm water improvements, sidewalks and a stabilized road base.

Saturday (10/21) – Crews will be working at the intersection of Elm Street and Gould Hill Road installing bridge expansion joints. Alternating one-way traffic will be maintained on Gould Hill Road.

Northfield Street: The section of road between Derby Drive and Colonial Drive is planned for reconstruction this week. Alternating one-way traffic will be maintained.

Week of October 23rd, 2017

As of the date of this report, the work plan was unconfirmed for this week. Work tentatively planned for this week includes:

Day Work – (7:00 am to 9:00 pm, M-F)

VT 12/Elm Street -

Final paving and line striping is complete.

- Crews *may* install gravel shoulders north of Gould Hill Road.
- Driveway aprons *may* be paved this week.

Elm Street parking will be closed off in active work areas this week. Parking will re-open as the work is completed.

State and Main Streets – Punch List Items

- Repairs to the line striping in various areas may occur this week on State and Main Street. Street parking may be blocked in order to perform this work.
- This work will be performed during daytime work hours.

Traffic - Travel will be reduced to one lane with alternating one-way traffic maintained by flaggers. Motorists can expect traffic delays all week.

Northfield Street Update

All work this week is expected to be performed using alternating one-way traffic.

Water/Sewer: Monday (10/23), water line interconnection will occur at Derby Drive and Colonial Drive. Residents who will be impacted by water interruptions will receive notices on their doors.

Installation of the sewer manhole on Derby Drive was rescheduled to occur this week.

Road Reconstruction: Tuesday (10/24) or Wednesday (10/25), crews will be excavating between Derby Drive and Colonial Drive to rebuild the remaining roadway.

Memorial Drive: Wednesday (10/25) or Thursday (10/26) a permanent asphalt patch will be installed in the Memorial Drive intersection. Work is expected to begin around 8:30 am, after the morning commute.

Sidewalk/Curbing: Crews will continue to install curb and sidewalk near 29 and 31 Northfield Street. Backfilling behind the new sidewalk and curbing will continue throughout the week.

Traffic – Alternating one-way traffic is anticipated all week between Memorial Drive and Derby Drive. Motorists are strongly encouraged to seek alternative routes using Derby Drive or Dog River Road during construction. Traffic delays of

up to 10 minutes can be expected on Northfield Street.

It is illegal in VT to use any handheld portable electronic devices while driving. The law carries fines of up to \$200 with points assessed if the violation occurs in a work zone.
