

Northfield Street Paving Update Paving Rescheduled to Start Wednesday (11/15)

Update: Monday (11/13)

Northfield Street: Due to the inclement weather today (11/13), Pike was unable to complete the paving on another project they are working on, resulting in an adjustment to the paving schedule for this week. Northfield Street paving has been rescheduled to start on Wednesday (11/15) and continue Thursday (11/16), weather permitting.

Northfield Street Traffic Detour: During paving the traffic will be directed as follows:

- Southbound Northfield Street traffic will be directed to use Memorial Drive to National Life Drive to Derby Drive.
- Northbound traffic will use Northfield Street.
- Residents who live on Northfield Street will have to access their driveway heading in the North direction and should expect limited access to and from their driveway as the crews pave by the entrance.

It is illegal in VT to use any handheld portable electronic devices while driving. The law carries fines of up to \$200 with points assessed if the violation occurs in a work zone.
