Winter Parking Regulations
Alternate Side Parking

Starts November 15th - April 1st

How to Park on City Streets During Alternate Side Parking:

From 12AM-5PM: All cars must be parked on the correct side of the street as indicated by whether building numbers are odd or even according to the ODD or EVEN calendar day. Parking on ODD sides of the street on odd numbered calendar days and EVEN sides of the street on even numbered calendar days.

From 5PM-11:59PM: (Transition Period) Move your vehicle to the other side of the street any time during this transition period.

For the downtown area the process will be as follows:

1AM -6:59AM: No Parking is allowed

7AM-12:59AM: Daytime Parking is allowed as usual (regardless of the day)

More Information

For more information on Alternate Side Parking, go to the City of Montpelier’s website here:

Stormwater Utility

What is a Stormwater Utility?

• A Stormwater Utility is a dedicated fund for the City’s stormwater management program.
• It is a more transparent and adaptable way to fund stormwater management.
• The City Council will be considering implementing a Stormwater Utility for Montpelier at the upcoming City Council meetings.

DPW will be sharing the latest updates on the Stormwater Utility in the DPW Weekly Newsletter

Trash and Recycling

Where to Put Trash and Recycling Bins
1) Place containers on backside of sidewalk in lawn.
2) Place containers in driveway behind the sidewalk.
3) If you have no other place to put a receptacle, place it along the curb line in the street.

PLEASE DO NOT PLACE YOUR BINS IN THE SIDEWALK.
Bins on the sidewalk make it very difficult for City staff to clear the sidewalks of snow and ice, and it blocks pedestrian paths.
