

Join us for a series of facilitated discussions concerning the redevelopment of One Taylor Street. The City of Montpelier, Redstone, GMTA/CCTA along with members of Gossens Bachman Architects and Wagner Hodgson Landscape Architects will lead a community discussion about the future of this important piece of our city.

ONE TAYLOR

Redevelopment

Community Participation Events

06 COMMUNITY MAY

Where:
Christ Church Parish Hall (64 State St.)

The goal of this event is to facilitate community input on macro-scale community issues and opportunities for the project. This event will allow community members to identify, then prioritize, important issues and opportunities for the property at a community context scale. (Note: this will involve a walking tour around the city. Please plan accordingly.)

21 PLACE MAY

Where:
Lost Nation Theater (City Hall)

The goal of this event is to facilitate community input on a site specific and immediate neighbor scale. This event will build on the resulting input from the first session.

10 SPACE JUNE

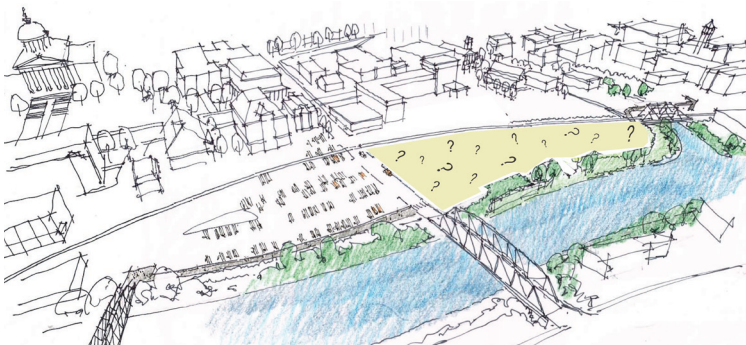

Where:
Montpelier Senior Center (58 Barre St.)
Location Change

The goal of this event is to facilitate community input on a site and building specifics and scale. This event will build upon the previous two.

3 DESIGN SEPTEMBER

Where:
Montpelier Senior Center (58 Barre St.)
Date & Location Change

The goal of this event is to present initial design ideas. This is intended to be both a celebratory event as well as one more chance for public feedback.

We want your thoughts.
Everyone is welcome!
